Tracklist:
Dream Culture

Title: Two Digits - Soundtrack
Genre: Casual, Indie
Developer:
Cleverweek
Publisher:
Cleverweek
Release Date: 4 Jul, 2015

 a09c17d780

English

"Soundtrack" is to be taken literally - it's just the one single track playing in the game repeatedly. Format is 320 kBit CBR MP3, running for 3:34 minutes. No cover art included, but you can find one in the Community Hub.

As it is for free, I give it a "Recommended", but it wouldn't be worth to be paid an extra fee.
