About This Content

Revamp your heroes and find new ways to play and compete in The Last Stand with these new Wargear pieces.

Thornback Carapace (Armor)

Not to be confused with Thornback, the Thornback Carapace is a very durable armor piece that is covered in blades. Every time an enemy attacks the Hive Tyrant in melee they take damage.

Devourer Cannon

The Devourer Cannon is a unique ranged weapon. It fires a parasite at the enemy which will cause damage over time to their entire squad. To maximize the effect, the Tyranid player should try to attack multiple squads in order to inflict the most amount of damage.
